BE HEALTHY...

BE HAPPY!

What's been going on this Month?

Every Thursday we have been spending our lunchtime with Jamie Pittman to develop our skills to run, coach and invent new games. One game that we have invented is 'Bucket Run'. Our aim is to offer a game every lunchtime to children who wish to take part.

Netball league - B Team managed a victory over St Laurence and sadly lost 2 other games. A and C Teams are both playing great.

High 5 Netball Tournament - 19th January - We came 2nd place overall. All children played brilliantly! Ellie Jordan managed to score from the edge of the d!!

8 A side football Tournament - Our A team won the whole tournament and our B team came 4th. They were 8 teams in the tournament all together.

Don't Forget

Sign up to a club! They are all great fun! Stay active after school and on the weekends!
